INTERSIG FRANCE  
ZAC Des Jalfrettes  
03500 SAINT POURCAIN SUR SIOULE

Dendermonde, 27-05-2016

Dear ,

with this letter, I inform you that steel we used for our products is produced from recycled scraps. Only ferro-alloys, cokes or limes are added (approximately 7% of the total weight). If any question should arise please contact us,

Kind regards,

For INTERSIG NV / INTERSIG FRANCE SARL

Wim Baudet  
Quality Dept.
